## The Mónica Tudela Mahiques Trust foundation® (MTMTf®)

### & Sovereign State REML®.

The Uniform Commercial code (UCc) is governing private  
 international law.

Negligence, Injury, Harms and Torts Claims under International  
 Admiralty Process

Any breach or attempted breach of The Mónica Tudela Mahiques Trust foundation® and/or Sovereign State REML® and/or others documents issued by this against the recipient/holder will be taken as a violation of the recipient's birthright as exemplified above and shall be dealt with by the force of the common law and will result in a Lawful Commercial Lien with a monetary value starting from One Million Great British Pounds (£1,000,000.00 GBP) or the equivalent in gold and/or silver - per perpetrator and per violation.

| ADMIRALTY ab initio<br>- Violations                                                                | Description                                                                               | Fees                                      |

Note: included and not limited to the calculation of any component of interest, is considered, in absence of the effects of a legal and binding contract, as a separate incident each tax, charge or invoice collected based on increments. Unity of increments will determine the number of incidents invoiced.
